

A passport is an internationally recognized travel document that verifies the identity and nationality of the bearer. A valid U.S. passport is required to enter and leave most foreign countries. And now, with the implementation of the Western Hemisphere Travel Initiative (WHTI), U.S. citizens need a passport or equivalent document when returning from Canada, Mexico, Bermuda, or the Caribbean.

If you are planning travel outside of the United States, [please apply for a passport](#) . We recommend that you apply early. Routine service processing time is currently 4 to 6 weeks.
